

THE CONNECTICUT LIGHT AND POWER COMPANY dba EVERSOURCE ENERGY

Shared Clean Energy Facility Pilot Program Enrollment Form

Attachment 2

Effective Date: April 1, 2017

This Enrollment Form addresses Shared Clean Energy Facility (“SCEF”) enrollment processes set forth in Public Act 15-133, *An Act Establishing a Shared Clean Energy Facility Pilot Program, as amended by Public Act 16-116, An Act Concerning the Shared Clean Energy Facility Pilot Program* (“the Act”) and is applicable to a Subscriber Organization with a Shared Clean Energy Facility within the Company’s¹ Service Territory that has been selected as a winning bidder through the Department of Energy and Environmental Protection’s (“DEEP”) Request for Proposal (“RFP”) process and that such selection has subsequently been approved by the Public Utilities Regulatory Authority (“PURA”). The Enrollment Form is further subject to the Company’s Shared Clean Energy Facility Rider Pilot (“Rider”) and the Terms and Conditions contained in Attachment 1 of the Rider.

A selected and approved Subscriber Organization (“Applicant”) seeking enrollment under this SCEF Pilot Program should submit the attached Enrollment Form, along with all required documentation and verification, to the Company within fifteen (15) days of being approved by PURA. Filing instructions are enclosed to assist the Applicants in the enrollment process. In particular, please note that the Company requires the Enrollment Form, including exhibits and attachments, to be submitted electronically and in hard copy.

The electronic Enrollment Form should be emailed to distributed_resources@eversource.com. The hard-copy Enrollment Form should be submitted to Eversource at: Distributed Resources, P.O. Box 1409, Hartford, CT 06143-1409.

Upon receipt of the Enrollment Form by email, the Company will issue a date/time receipt. All notifications made by the Company will be to the email address provided by the Applicant. The Company will make reasonable efforts to notify the Applicant as to whether the Enrollment Form is satisfactory or whether the Applicant must submit additional information. Only when the Enrollment Form has been deemed satisfactory and accepted by the Company will the Applicant be notified of such acceptance and their eligibility to receive payments under this tariff.

Note that Applicants have an ongoing obligation to amend and/or supplement the information contained in this Enrollment Form. An Applicant must both initially and on an ongoing basis operate in accordance with Good Utility Practice and any applicable requirements and standards issued by the EDC, ISO-NE, and NEPOOL GIS as well as any applicable requirements and standards issued by the Company. Applicants must also meet (at the Applicant’s expense) any metering and telemetering requirements designated by the Company.
